A6.1 Regulations Applicable To Directory Listings

A6.1.1 General

- A. The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying subscriber's telephone numbers and as an aid to the use of telephone service.

- G. Generally, the listed address is the location of the subscriber's place of business or residence. At the subscriber's request a partial address may be shown. An address may be:

- A. Generally, a residence listing consists of a surname, given name or dual name, and/or initials, the address, and the telephone number. When a single name listing is requested by the subscriber, the Company may require satisfactory evidence as to the validity of the requested name. A6.3.2 Reserved For Future Use

A6.3.3 Reserved For Future Use

A6.4 Non-Published (Private) Listing

A6.4.1 General

- A. A non-published listing is not listed in either the alphabetical section of the Company's directory or directory assistance records and will not be furnished upon request of a calling party. However, when a call is placed from a telephone number associated with a non-published listing, the number and/or name may be disclosed if the called party has the necessary equipment for receiving and/or disclosing incoming telephone numbers and/or names.

The only exception is when the residence non-published listing customer subscribes to and/or has activated a Calling Number Delivery Blocking option, as described in A13.19.2. of this Tariff. These features suppress delivery of the calling number and name. They are available, facilities permitting, to non-published listing customers upon request at no charge.

The Company will adhere to this practice notwithstanding any claim of emergency the calling party may present. The acceptance by the Company of the subscriber's request to furnish a non-published telephone number does not create any relationship or obligation, direct or indirect, to any person other than the subscriber.
- C. In the absence of gross negligence or willful misconduct, no liability for damages arising from publishing a non-published telephone number in the directory or disclosing said number to any person shall attach to the Company. Where a non-published listing is published in the directory, the Company's liability shall be limited to and satisfied by a refund of any monthly charges which the Company may have made for such listing. The subscriber indemnifies and saves the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-published listing or the disclosing of said listing information to any person.
- D. For accounting purposes, the telephone number, name, and address of a subscriber with a non-published listing will be provided to the Long Distance Carrier(s) which furnishes the subscriber long distance message telecommunications service.
- E. The Company may provide telephone number, name and address of a subscriber with a Non-Published number to the public safety agency certified, authorized and responsible for providing emergency notification services in the local city, county or municipality where the subscriber line associated with such number is located, pursuant to that agency's request under Emergency Service Provider Data Service (ESPDS) detailed in A38.4 of this tariff.
